BASEBALL NSW PARTNERING WITH PERFECT GAME

Baseball NSW would like to announce that they will be hosting Perfect Game at Blacktown International Sports park, this December into January next year.

About Perfect Game:

Perfect Game is the world's largest and most comprehensive scouting organisation, and the preeminent travel ball enterprise running out of America. Perfect Game has a mission to promote the game of Baseball, now and into the future, by hosting the highest quality amateur events and Baseball NSW is extremely excited to be in partnership with that mission.

What is the event?

Two Perfect Game teams will travel to Sydney to compete against the combined NSW Under 18 representative squads, from December 29th to the 1st of January, with two additional teams rotating in, from January 2nd – 5th.

This event directly aligns with Baseball NSW's strategic objective of affiliating with Perfect Game for inbound and outbound events. Baseball NSW, as part of this partnership, will be participating in Perfect Game's 'Florida Tour' next month, from the 31st of August to the 13th of September. A team will be travelling to Orlando to compete. The 14-day baseball tour was scheduled for two years ago but had been postponed due to COVID travel restrictions.
